*An introduction to the wines from the Cakebread family*

### Cakebread Cellars

2023 Sauvignon Blanc | *North Coast AVA, CA*

Light-bodied and elegant on the palate, this wine beautifully balances bright, citrusy acidity with lively flavors of ripe melon, grapefruit, & citrus zest with a smooth, refreshing finish.

2021 Chardonnay | *Napa Valley AVA, CA*

The wine that started it all for the Cakebread family in 1973. Gorgeous, with floral aromatics, fresh citrus, green apple & white peach flavors with a smooth finish that's clean & bright.

Lower

levels of malolactic conversion maintain acidity and balance.

2019 Suscol Springs Syrah | *Napa Valley AVA, CA*

Complex aromas of roasted earth & toasted blackberry, dark plum & cassis. Fragrant notes of violets, sage, white pepper & milk chocolate. Rich, dense and round, supple tannins. Flavors of black cherry, wild berry, plum, blackcurrant & baking spice. A long, savory finish with rich boysenberry & plum tones.

### Mullan Road Cellars

2020 Cabernet Sauvignon | *Royal Slope AVA, WA*

Our flagship Cabernet Sauvignon is blended with Cabernet Franc & Merlot for a complex mixture

of black fruits. Initial aromas of black currants & plum puree, with hints of desert sage are complemented with a loamy minerality and fine tannins.

2019 Winemaker's Select Cabernet Sauvignon | *Royal Slope AVA, WA*

This 100% Cabernet Sauvignon is crafted in small quantities to highlight the uniqueness of each vintage. Classic varietal notes of cassis and currants are prevalent, as are hints of spicy oak, tobacco, and cedar. Fine tannins contribute to a balanced and lengthy finish.
